

VAIBHAV DIXIT

Kanpur, Uttar Pradesh, India
vaibhavdixit0777@gmail.com | LinkedIn | GitHub

Career Objective

Computer Science undergraduate with a strong foundation in frontend development and software engineering. Skilled in JavaScript, React.js, HTML, CSS, C++, Python, API integration, responsive UI development, DSA, and problem solving. Experienced in building interactive, user-focused web applications and leveraging AI-assisted development. Seeking software engineering or frontend development internships to build impactful solutions and contribute to real-world products.

Education

Bachelor of Technology in Computer Science <i>Allenhouse Institute of Technology, Kanpur</i>	2025 – 2029
Intermediate (PCM) – 83% <i>Uttar Pradesh State Board of High School and Intermediate Education (UPMSP)</i>	2023 – 2024
High School (Science) – 87% <i>Uttar Pradesh State Board of High School and Intermediate Education (UPMSP)</i>	2021 – 2022

Technical Skills

Programming:	C, C++, Python, Data Structures and Algorithms
Frontend:	HTML, CSS, JavaScript, React.js, Responsive Web Design, UI Development
AI-Assisted Development:	Generative AI, Prompt Engineering, AI-assisted coding, debugging, optimization, research, technical problem-solving
Tools & Platforms:	Git, GitHub, VS Code, Antigravity
Concepts:	Object-Oriented Programming, Problem Solving, API Integration, Basic Computer Networks

Projects

College Bus Tracking System	<i>FastAPI, HTML, JavaScript, React</i>
------------------------------------	---

- Developed a responsive frontend interface for a college bus tracking system focused on a simple and user-friendly experience.
- Built interactive web pages for students and drivers to view bus information and real-time location updates.
- Integrated browser-based geolocation to capture and display the driver's current location on the frontend.
- Connected the frontend with backend APIs to fetch and update bus location data dynamically.

Certifications & Activities

- Smart India Hackathon (SIH) 2026 – Team Participant.
- Certificate of Participation, HackShodh 2026 – 24-hour National Hackathon, Chhatrapati Shahu Ji Maharaj University, Kanpur.
- Certificate of Appreciation, CodeFuse 2025 – Qualified Round 1 among 600+ participants and participated in the Offline Grand Finale.

Achievements

- Participated in Smart India Hackathon 2026 and contributed to frontend development.
- Finalist participant in a national-level hackathon and competitive coding events.
